Strategies for Interdisciplinary Publishing Success

Writing & Publishing on Autism & Neurodevelopmental Disorders
Writing and Publishing on Autism and Neurodevelopmental Disorders

Writing and Publishing on Autism and Neurodevelopmental Disorders

Thursday, March 20
Noon - 1:30pm
Gelman Library, Room 702

Join us for a panel discussion of this important and emerging interdisciplinary field. Scholars and experts from multiple disciplines will address topics related to research, authorship, and publishing.

Part of the ongoing series Strategies for Interdisciplinary Publishing Success, brought to you by the GW Libraries in collaboration with the Office of the Vice-President for Research, the Himmelfarb Health Sciences Library, and the Jacob Burns Law Library.

Moderator:

Dr. Diane Cline
Associate Professor of History & Classics
Department of History

Panelists:

Dr. Shelley Brundage
Associate Professor
Graduate Program Director
Department of Speech and Hearing Sciences

Dr. Roy Richard Grinker
Professor, Department of Anthropology,
Elliott School of International Affairs, and Human Sciences

Dr. Valerie Hu
Professor
Biochemistry and Molecular Medicine

Dr. Carol Kochhar-Bryant
Senior Associate Dean
Professor of Special Education & Disability Studies
Graduate School of Education and Human Development
