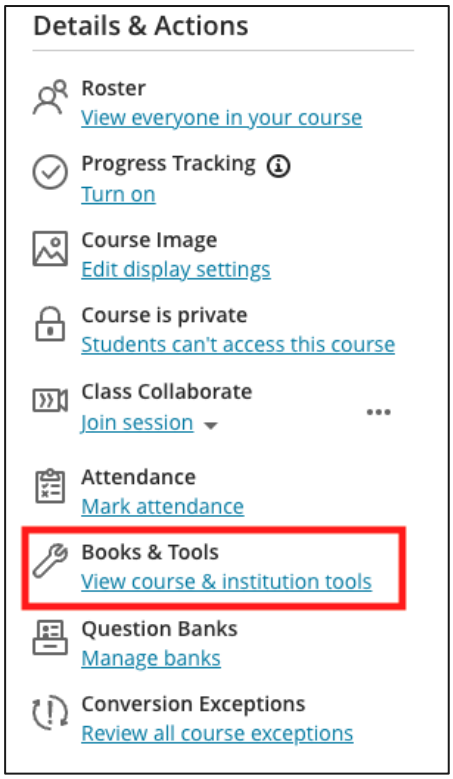
Blackboard Ultra: Access More Tools (GW)

The More Tools (GW) page provides a set of custom tools allowing instructors to:

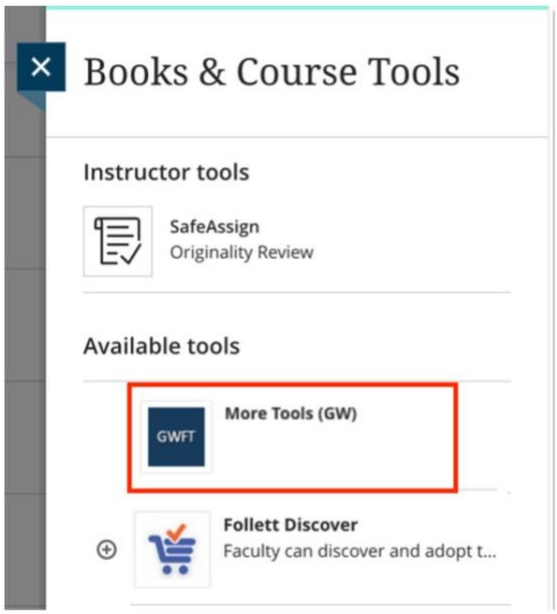
- Create a Development Course
- Merge Courses
- Manage Teaching Assistants, Reference Librarians and Facilitators
- View Student Photo Roster
- Manage Echo360 Classroom Lecture Capture Schedules
- Request Library E-Reserves

To Access More Tools (GW)

1. Open the Blackboard course.
2. Go to the **Details & Actions** panel and click **Books & Tools**.



3. On the *Books & Course Tools* pop-out menu, select **More Tools (GW)**.



4. On the subsequent *More Tools (GW)* page, select the appropriate tool you wish to use and follow the prompts.
