Using leading dots in your table of contents is optional. If you have leading dots and you
encounter difficulty converting your document to PDF or if there is a problem with justification (i.e.
you cannot get your page headers to line up on the left-hand side or the page numbers to line up
on the right side – try deleting the leading dots.)
List of Figures (Required if there are figures)

Figure 1.........................................................................................................................1

Figure 2.........................................................................................................................2

Figure 3.........................................................................................................................3

Please DOUBLE-SPACE your “List of Figures” and use the format presented above.

The use of leading dots for your List of Tables is optional. These may be deleted if you encounter difficulty converting your document to .pdf or if there is a problem with right or left justification.
List of Tables (Required if there are tables)

Table 1 ......................................................................................................................................... 1
Table 2 ......................................................................................................................................... 2
Table 3 ......................................................................................................................................... 3

Please DOUBLE-SPACE your List of Tables and use the format presented above.

The use of leading dots for your List of Tables is optional. These may be deleted if you encounter difficulty converting your document to .pdf or if there is a problem with right or left justification.
## List of Symbols / Nomenclature (Optional)

1. x  Name or Definition of symbol x
2. y
3. z

*Please DOUBLE-SPACE your List of Symbols /Nomenclature and use the format presented above.*
Glossary of Terms (Optional)

Term 1: Start Definition here

Term 2: Start Definition here

Please DOUBLE-SPACE your Glossary of Terms and use the format presented above.
Chapter 1 - Introduction

Start each chapter on a new page. All of the text on this page starts at the same location on the ruler bar except for the first line of text of each new paragraph.

Note that each level is indented in a \( \frac{1}{4} \) inch (or two dots to the right on the ruler bar) from the last section header.

1.1 Second Level Header (starts at the left margin)
Start your text here.

1.2 Second Level Header
Start your text here. Note that all level headers are in bold type face.

1.2.1 Third Level Header (+ .25 inches or 2dots to the right from previous level)
Start your text here.

1.2.1.1 Fourth Level Header (+ .25 inches or 2 dots to the right from previous level)
Start your text here.

1.2.1.1 Fifth Level Header (+ .25 inches or 2 dots to the right from previous level)
Start your text here.

This page should be numbered as page 1. All subsequent pages should be numbered consecutively through the end of the document using Arabic numerals.

Please locate the page numbers at the center, bottom of the page.
Chapter 2: Literature Review

Start your text here and use double-spacing.
Chapter 3: Methods

Start your text here and please use double-spacing.
Chapter 4: Results

Start your text here and please use double-spacing.
Chapter 5: Discussion or Conclusion

Start your text here and please use double-spacing.
Bibliography

Start here; Insert the appropriate text.
Appendix A – Sample Survey

Start your text here and please use double-spacing. If you are putting figures on these pages please make sure your right and left margins are at least 1 inch.
