Chapter 4: [Results or Your Heading] .......................................................................................................... 4
Chapter 5: [Discussion, Conclusion, or Your Heading] ................................................................................ 5
[Bibliography or References] .......................................................................................................................... 6
Appendices .................................................................................................................................................... 7

Please DOUBLE-SPACE and use the format presented above.

You may opt to delete the leading dots below if you encounter difficulty converting your document to PDF or if there is a problem with justification (i.e. you cannot get your table headers to line up on the left-hand side.)

The chapter titles should not run over into the page number column.
List of Figures (Required if there are figures)

Figure 1 .........................................................................................................................1
Figure 2 .........................................................................................................................2
Figure 3 .........................................................................................................................3

Please DOUBLE-SPACE and use the format presented above.
You may delete the leading dots if you encounter difficulty converting your document
to .pdf or if there is a problem with right or left justification.

Figure titles should not run into the number column.
List of Tables (Required if there are tables)

| Table 1 | ............................................................................................1 |
| Table 2 | ............................................................................................2 |
| Table 3 | ............................................................................................3 |

Please DOUBLE-SPACE and use the format presented above.

You may delete the leading dots if you encounter difficulty converting your document to .pdf or if there is a problem with right or left justification.
List of Symbols / Nomenclature (Optional)

1. x Name or Definition of symbol x
2. y
3. z

Please DOUBLE-SPACE your text and use the format presented above.
Glossary of Terms (Optional)

Term 1: Start Definition here
Term 2: Start Definition here

Please DOUBLE-SPACE your text and use the format presented above.
Chapter 1: [Introduction or Your Heading]

"[Insert appropriate text here. Double-space the text.]"

In this and subsequent chapters, consult your school’s specific thesis guidelines or use the style manual appropriate for use in your field of study to decide whether to include chapter numbers and how to do chapter titles, headings, and sub-headings within chapters.

This page should be numbered as page 1. All subsequent pages should be numbered consecutively through the end of the document using Arabic numerals.

Please locate the page numbers at the center, bottom of the page.
Chapter 2: [Literature Review or Your Heading]

"[Start here; Insert appropriate text. Double-space the text.]"
Chapter 3: [Methods or Your Heading]

"[Start here; Insert and DOUBLE SPACE appropriate text.]"
Chapter 4: [Results or Your Heading]

"[Start here; Insert and DOUBLE-SPACE the appropriate text.]"
Chapter 5: [Discussion, Conclusion, or Your Heading]

"[Start here; Insert and DOUBLE-SPACE the text.]"
[Bibliography or References]

"[Start here; Insert the appropriate text.]"
Appendices

"[Start here; Insert the appropriate text.]"

Comment [G9]: Appendices MUST conform to the margin restrictions (e.g. 1.25 inches the left and right page margins; 1 inch for top and bottom margins.). If inserting images on a page, scale the image to fit.
